VOL. V. No. 1019.

HONOLULU, H. I., MONDAY, SEPTEMBER 19, 1898.

PRICE 5 CENTS.

For a pleasant day Saturday, thank Captain Campbell and T. J. King who raised the money to carry on the sports; C. S. Crane, Guy Gere and S. E. P. Taylor who made all arrangements for the events; Captain Berger and the band for music; Chas. Wilson, for starting the races off without delay and, last but not least, A. G. M. Robertson, who introduced in the House of Representatives the bill that has made September 18 a public holiday.

The aquatic sports in the harbor on Regatta Day, Saturday, September 17, can be called nothing other than a great success. The events were all started off with dispatch and there seemed to be on all hands spirit of sport. The ships in the harbor were prettily decorated with flags and bunting and small craft were continually plying to and fro with people out to see the fun. The boat houses of the Myrtle and Healan crews were prettily decorated. The judges' stand, a large scow, was anchored in the stream off the Inter-Island wharf.

The races were run off in the following order:  
1. Five oared whaleboat race. Spar buoy course. Won by Dewey of U. S. S. Philadelphia in 19½ m. General Gordon, second, with time of 22 flat. Pilot boat No. 2 disqualified on account of foul at turning point, claimed by Dewey and allowed by judges. Time, 18½ m.

2. Six oared sliding seat barge. Course—Judges' stand, out channel to spar buoy, passing same on port side and back to start. Won by H-alani of H. Y. & B. C. in 12 m. 30 s. Myrtle of M. B. C. second with time of 12 m. 56 s. Alice M withdrawn.

3. The first class yacht race, mentioned elsewhere.  
4. Diving for time. Won by Kuaiwa. Time, 48 1-5 s. Kawika second, fraction of a second before winner. Believed to be a set up job between the two natives. Time very bad.

5. Two oared shore boat race. Course—From start, out channel to and around first can buoy, keeping on port side in turning, back to starting point. Four entries. Won by No. 28 in 8 m. 12-5 s. Minnie, second, 8 m. 7 s. Mahina pulled winning boat.

Six oared gig race. Course—Spar buoy. Won by Kauoelani in 17 m. 22-5 s. Kapiolani, second, 17 m. 27 s. Both boats leaky. Race well pulled. Only natives in the crews.

7. Swimming race, 160 yards straight away. Won by Kimokeo in 1 m. 18 s. Renear, second.

Slight dissatisfaction over decision of judges. Renear reached barge first while Kimokeo crossed imaginary line first and was declared winner.

8. Six paddle canoe race. Course—Start from line of spar and far away buoys and finish at judges' stand. Five entries. Won by Kaksako in 10 m. 51 s. Leilani, second, 11 m. 15 s.

9. Second class yacht race.

Start	Return	Time
Malolo.....12:04½	2:22:25	2:17:33
Pokii.....12:07 1-5	2:28:29	2:13:29
Pauline.....12:10½	2:45	2:33
Abbie M.....12:11½	2:27	2:37:09

Pokii declared winner with Malolo, second and Abbie M. third. Pauline did not go over the course.

10. Punt race rowed and steer with shovels. Won by Crowley in 7 m. 11 s. Fasseur, second.

11. Four oared sliding seat barge. Course—Judges' stand around spar buoy to finish. Won by Myrtle in 15m. 31s. Alf Rodgers, second 15m. 35s. Alice M., third. All three boats from M. B. C.

12. Tub race. Course—Like like wharf to judges' stand. Ten entries. Won by Yitting in 3m. 50c. J. K., second.

13. Twelve oared cutter race [man of war boats only]. Course—Spar buoy course. Won by Chips in 17m. 55s. Wela ka Hao, second, 18m. 60s.

14. Diving for distance. Won by Kona boy. Kuaiwa, second. Distance observed but not measured.

15. Steamer boat race. Four entries and three prizes. Won by Lehua in 16m. 27s. Kaena, second, 16m. 39s. Mauna Loa, third, 17m. 8s.

16. Sailing canoe race. Five entries. Won by Maui Boy in 23m. Nialani, second, 23m. 20s.

17. Half mile swimming race. Six entries. Won by Kuaiwa in 14m. 19s. Gilman, second, 14m. 27s.

18. Four oared dingy race. Four entries. Won by John A. Briggs in 19m. 37s. Never You Mind, second, 19m. 46s.

The officers of the day were as follows:  
Judges—C B Wilson, Capt C J Campbell, Chas B Gray.  
Starter—C B Wilson.

Time-keepers—Louis Marks, A T Brock, Chris Willis, Gerner Jaffe of the Philadelphia.  
Recorders—John W Short, W H Charlock Jr.  
Clerk of Course—Captain E H Parker.

The Myrtle flag was not at half-mast although there were some who got the two flagpoles mixed so that the flag gave such an appearance.

Caterer Chapman provided an excellent table on the judges' stand. He was chosen again this year on account of his excellent work last year.

John Ena, family and friends occupied the Mikabala, anchored near the judges' stand.

The band occupied a position on the Harvester at the Pacific Mail Wharf.

The decision in the first class yacht race was withheld on account of the time allowance to be calculated.

The summary of the race is as follows:

Start	Return	Time
Hawaii.....11:01:10	2:52	3:50:13
Marion.....11:02:30	3:03:34	4:00:57
Bonnie D.....11:02:45	2:45	3:42:31

The under-tanding before the race was that the Bonnie Dundee should allow the other two yachts the amount of time by which she beat them in 1896. This was 29m. 17s. for the Hawaii and 35:02 for the Marion. This gives the time as follows: Hawaii, 3:21:33; Marion, 3:26:02; Bonnie Dundee (actual time) 3:42:16. The Hawaii is therefore winner, Marion second and Bonnie Dundee, third.

## IN THE FIGHTING FRONT

Letter from Chaplain of the First California Volunteers.

Captain McKinnon Played an Important Part in Battle and Surrender—Cousin of J. W. McDonald.

J. W. McDonald of this city received by the steamship Senator a letter from his cousin W. D. McKinnon chaplain of the First California regiment that participated in the fight at Manila. The letter is written on the official letter paper of the "Gobierno General, de Filipinas, Secretaria, Particular."

The letter says: "We are in full possession of Manila without even having a good battle. We had several skirmishes and altogether the Americans had 23 killed and about 80 wounded. My regiment had four killed and [one captain and three privates] and 16 wounded.

"I had a slight wound in the thigh but it has entirely healed up or almost so. It came near being quite serious. I said nothing about it at the time as I did not want it called back home. It was only a flesh wound so I thought I could doctor it myself. But under my treatment it became a very ugly sore.

"I was under fire every time the boys were and had several narrow escapes. One bullet went through my hat and another through my coat, right across the back, burning my back clear across; an inch nearer and it would have killed me. But now all is over and thank God I am feeling O. K.

"The California regiment gave a fine account if itself and has the reputation of being the crack regiment.

"We have our headquarters now in the Palace of the Governor General. It is quite a contrast to being in camp. Though living in a Palace we still have the pork and beans diet. Manila is a rich city with many palatial homes.

"I was the first American in. I came in three days before the troops and interviewed the Arch bishop and Governor General. I also flatter myself that my coming in saved many lives, as I induced them to surrender after only a show of resistance (Just enough to satisfy Spanish honor). It was a risky undertaking but I felt I was justified when the good to be accomplished was so great. I walked right up to their guns without a flag of truce or anything else. It was not a pleasant sensation to see three or four thousand guns all looking your way. They fired on me but thanks to Spanish marksmanship, I escaped.

"The General congratulated me publicly and said it was 'the bravest act of the whole war.'

## MEMORY OF ANTONIO ROSA

Resolutions of Bar Ordered on Supreme Court Records.

Several Barristers Pass Tributes Upon Their Dead Brother—The Term Opens With Two Justices.

"Whereas, it has pleased the Almighty to remove by death Antonio Rosa, a member of the Bar of this Court;

"Resolved, that in the untimely death of Antonio Rosa this community has lost a faithful citizen, and the Bar a brilliant as well as a valuable member;

"Resolved, that the Bar hereby express to the family of the deceased its sincere and heartfelt sympathy with them in their bereavement;

"Resolved, that the Court instruct the Clerk to spread these Resolutions upon the Records of the Court."

These resolutions were presented to the Supreme Court by the committee of the Bar appointed for the purpose, at the opening of the September term of that tribunal this morning.

Feeling tributes were paid to the memory of the departed barrister by Cecil Brown, W. A. Kinney, E. P. Dole, Chas. Craigton, G. F. Little of Hilo, S. K. Kane and Chief Justice Judd. In concluding his remarks the Chief Justice made formal order to spread the resolutions upon the records.

Cases from the Fourth Circuit were taken up first, as Messrs. Little and Wise of Hilo desire to get back to Hilo by tomorrow's steamer, so as to be able to attend the Kohala term of Circuit Court opening on October 5.

Chief Justice Judd and Justice Weiting are holding court without the presence of Justice Freer, who is engaged on the Hawaiian Commission.

## FRATERNAL DIRECTORY.

The Bulletin's Plan Warmly Commended by the Societies.

The plan which was recently inaugurated by the BULLETIN to publish a Fraternal Society Directory of the social and benevolent organizations on the Islands, is being warmly praised by fraternal folk and visitors who are members of one or more of the societies.

As an attestation of fraternal endorsement under the head of "New Today" will be found the cards of Honolulu Comandery No. 1, K. T.; Honolulu Chapter No. 1, R. A. M.; and Oahu Lodge No. 1, K. of P.

For a nominal figure the BULLETIN publishes the cards of fraternal societies in the Fraternal Directory, giving the date, place and time of meetings. Should special meetings be called at any time they will be duly announced and mention made of them in the local columns. This, too, without incurring any additional expense on the part of the societies holding such meetings.

Nothing of a similar nor such an advantageous nature has been offered to the societies in this city nor on the islands.

The BULLETIN at the inception of the plan was actuated by a desire to assist fraternalism, which has been so instrumental in building up the material interests and society in the Islands. It is pleasing to know that its efforts are appreciated.

## TWO JUDICIAL DECISIONS

Ejectment Case Determined on Deed Thirty-six Years Old.

Claim Lacking in Terms of Lease—An Unfaithful Guardian Removed—Land Sale Ordered.

Judge Perry has rendered an important decision on the jury waived ejectment case of J. Kaao and J. Waialeale vs. Kalaueha, Kaliaka, Keauui and Mana. It was a claim for restitution of a certain piece of land, 4.65 acres in area, situate in Hoonanau, Kona, Hawaii. The claim was based on a judgment in the Circuit Court at Waimea, Hawaii, and a Marshal's deed, on sale under execution, dated January 10, 1868. Although the records in the original action have been lost, the court finds prima facie evidence in the deed that the execution issued. Levi Haalelea was the purchaser and after his death the administrator of his estate conveyed the abupua of Hoonanau, including the land in question, to C. R. Bishop, who, on July 1, 1884, executed a lease to the plaintiffs for fifteen years. They brought the action under this lease. It having been proved that Haalelea and his successors have from 1862 held adverse possession of the land, until the recent entry by the defendants, Judge Perry finds for the plaintiffs for the restitution of the property claimed and for costs. Kinney & Ballou for plaintiffs; W. R. Castle and P. L. Weaver for defendants.

Judge Stanley has filed a decision for the defendants in the jury waived ejectment case of Kalaueha vs. Kipahulu Sugar Co. The ground of the decision is that the lease did not create the condition by express words of forfeiture for waste. Castle and Weaver for plaintiff; Kinney & Ballou for defendant.

Judge Perry has granted the petition of Laahia, a minor, by Maka, her stepgrandfather and next friend, to remove Akoi, her stepfather, from her guardianship, for not faithfully discharging his trust, and to appoint Maka instead. Lyle A. Dickey for petitioner; J. T. De Bolt for the guardian.

Joseph Rosa, guardian of his minor son Louis Richards, is licensed by order of Judge Perry to sell real estate at Kikihale, Honolulu, at public auction at the Judiciary building on October 8, 1898.

Judge Perry is hearing the petition for partition of M. F. Scott and wife against E. N. Pilipio and others. Thurston for plaintiffs; Castle and Weaver, Magoon and Sullivan and Kaulia for different defendants.

Judge Hardy has petitioned for probate of the will of his daughter.

The guard located at Paul Isenberg's ranch captured one of the Nebraska volunteers Saturday afternoon. The man had committed no act of depredation but had crossed into the road where the guard is stationed.
